Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

In response to the Office Action mailed October 2, 2002, please amend the above-identified application as follows:

IN THE CLAIMS:

Please amend the claims as follows. Note that the following is a clean version of the amended claims, while an attached Appendix contains the amended claims with appropriate markings to show the changes made.

--1. (Twice Amended)   A program storage device readable by a machine, tangibly embodying a file structure for storing a content object having a plurality of content entities to facilitate content adjustment, said file structure comprising:
